From

A. K. Pani, Esq., D.P.H.,
Offg.Sanitary Commissioner in Mysore,
Bangalore.

To

The Deputy Commissioners
of Districts & Presidents Municipal Councils
Bangalore, Sanitary Board
and Kolar Gold Fields.

Sir,

I have the honour to state that during my recent inspections, I found that samples of the Burma rice that is being supplied by Government for sale contained mouldy lumps, - - probably due to the action of the sea water during transhipment. There is reason to believe that the consumption of the rice gives rise to gastric troubles including severe - - vomitting and purging. I request that instructions may kindly be issued to the authorities in charge of the sale of the rice to arrange to sort-out, without ~~husking~~ breaking, all mouldy lumps, pass the rice through a sieve and sun-dry the rice before it is supplied to the public.

I have the honour to be,
Sir,
Your most obedient servant,

Sd. A.K. Pani

Offg.Sanitary Commissioner.
